

PROPERTY SURVEY FOR  
**BLAKE CHAPPELL**

LOTS 24 AND 25, TABBY HEIGHTS PHASE 1  
SECTION 27, TOWNSHIP 1 SOUTH, RANGE 8 WEST  
UINTAH SPECIAL BASE & MERIDIAN

NARRATIVE

This survey was performed at the request of Blake Chappell for the purpose of locating the lot corners to Lots 24 and 25 of TABBY HEIGHTS PHASE 1. Several rebars were found marking the original lots corners. These monuments along with the indicated section corners which were found were used to control the survey. The data from the original subdivision plat was rotated to fit the basis of bearings of this survey. The lot corners as found did not fit the horizontal tie to the Southeast Corner of Section 27 but were used as senior monuments defining the location of the lots. The rebar monuments found along the East line of Lot 25 were used as control to establish the position of the North corner between Lots 24 and 25.

ORIGINAL SUBDIVISION  
BOUNDARY ROTATED TO  
BASIS OF BEARINGS OF  
THIS SURVEY

SCALE: 1=200'

LEGEND AND NOTES
